**COMMENTS ON NOTICE OF ALLOWABILITY -  
ACKNOWLEDGEMENT OF CLAIM TO FOREIGN PRIORITY AND OF RECEIPT OF  
FOREIGN PRIORITY DOCUMENTS**

In the Notice of Allowability, the Examiner has not acknowledged Applicants' claim for foreign priority, nor receipt of certified copies of the priority documents from the International Bureau.

Applicants have, in their Declaration, properly claimed priority from two foreign applications for patent. Their claim to priority is recorded on the filing receipt for the present application.

The undersigned has contacted the International Bureau, and has been informed that the certified copies of the priority documents were transmitted to the Patent and Trademark Office in January, 2002, and were re-transmitted at the request of the undersigned on April 29, 2004.

If the certified copies of the priority documents have still not reached the file, the Examiner is kindly requested to contact the responsible representative of the International Bureau:-
